MARIE VALENTONIS

<u>pandemicprogrammer.pythonanywhere.com</u> mlvalentonis@protonmail.com | 410-271-8871

PROFESSIONAL EXPERIENCE

Freelance Photography & Design

March 2013 - Current

Heavy focus in the following applicable areas: content design, customer communication, UX adaption and implementation, social media marketing, graphic design, client media production and distribution.

Caregiver

Private Hospice Care March 2019 - May 2021

Medical care and assistance of hospice patients including dressings, medication management, physical therapy, and various assistance.

Behavioral Therapist Technician

Turning Point In Education
July 2017 - December 2019
Worked with BCBA to develop, implement, and maintain BIPs of individuals diagnosed with ASD during group social interactions, table work sessions,

and real world generalization practices.

EDUCATIONAL BACKGROUND

University of Maryland Global Campus *Bachelor of Computer Science* (2022)

Anne Arundel Community College

Associate of Applied Science and Technology Software Engineering

PROFESSIONAL SUMMARY

A widely experienced junior web developer endeavoring to find a full-time position. I bring front and back end web development experience, in addition to 8 years of digital design, marketing, and quality assurance.

SKILLS & PROFICIENCIES

- Python Back End Development (Flask)
- Java
- HTML/CSS/SASS
- JavaScript
- Linux
- Adobe Photoshop. XD
- Reverse Engineering
- Critical Thinking
- Autonomous
- Reverse Engineering
- Detail Oriented
- Efficiency and Efficacy Minded
